

Seven Fields Primary School-Newsletter

Dear Parents/Carers,

Welcome back to the final term of the academic year. It is hard to believe that we are approaching the end of another year!

Attendance is a top priority for all schools and here at Seven Fields it continues to be very important to the work that we do. 'Every day in school makes a difference to your child's future.' Today we held an Attendance Assembly to celebrate Attendance during Term 5. The children love these assemblies and we look forward to welcoming parents and carers to an end of year Attendance Assembly on Friday 23rd July.

I am proud of the work we have done in school this year and I look forward to celebrating with the whole school community at our school fete on Friday 21st June. This term we still have a lot of work to do. Children will need to complete their assessments be they in phonics, Reception and across the school. We will need to complete our maths and reading progress data for the trust. We also have art week, sports days, swimming in Year 6 and class transition days and lots of activities that we would like to achieve prior to the end of the year. Look out for more details on these events on our website and in the school newsletters over the coming weeks. I wish everyone a peaceful weekend. Enjoy the sunshine.

Mrs Young
Head Teacher

Dojos gained this week

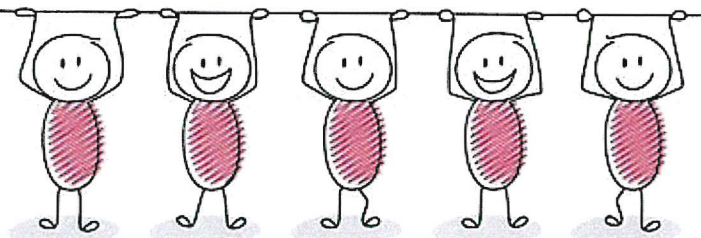

w/c 03.06.2024

Class	Total Dojos	Class Winner
Mrs Still	106	Hunter 20
Miss Mitchell	28	Spohia 5

Eagles	91%

Winners

Falcons

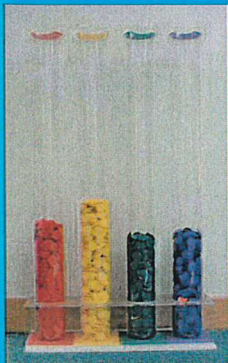

House Points

Snowdon 101

Slieve Donard 31

Scafell Pike 85

Ben Nevis 63

Just before half term year 2 took a walk to the local orchard to take a look at the different types of trees. Here they identified and named the types of trees and decided if they if they were part of the Deciduous or Evergreen family

Evergreen Trees:

Evergreen trees have green leaves all year round. Their leaves do not fall off or change colour in the autumn. Evergreen trees instead lose leaves gradually and not all at once.

Some examples of evergreen trees are:

Eucalyptus

Yew

Holly

Deciduous Trees:

Deciduous trees lose their leaves every year.

The leaves on deciduous trees change colour and fall off every autumn.

They usually have no leaves on their branches in the winter.

Some examples of deciduous trees are:

Willow

Ash

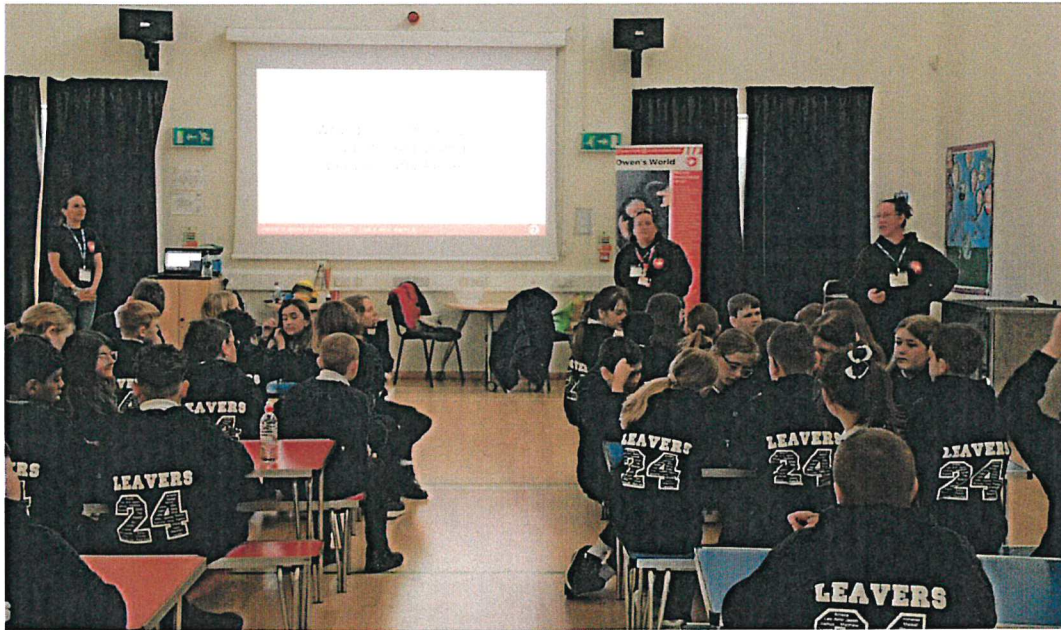

Horse Chestnut

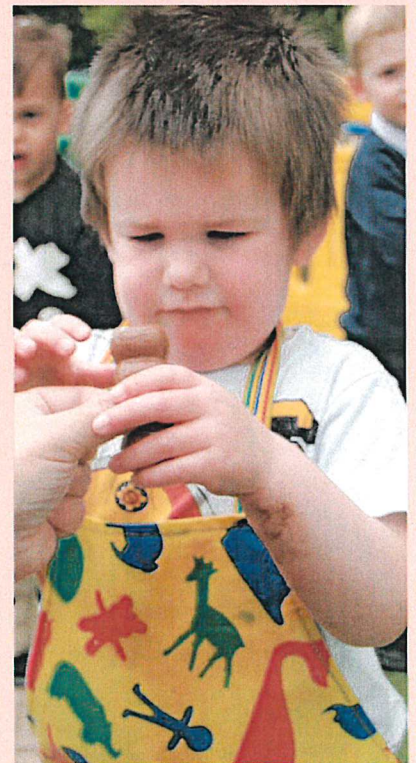

Can you spot any deciduous or evergreen trees nearby?

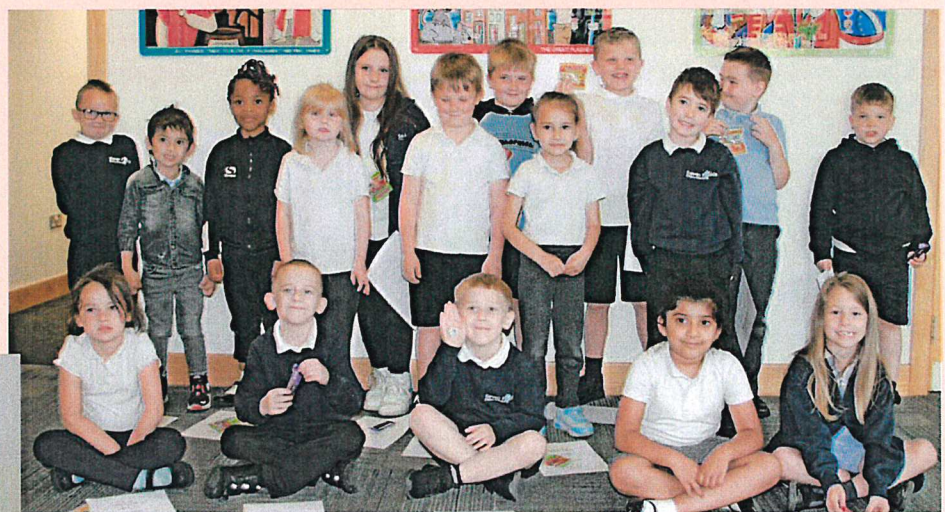

We would like to thank Zoe, Gemma and Jo who came and spoke with the Year 6 children about knife crime. They started the foundation Owen's world after losing him to knife crime. Owen was a local lad from the Penhill area who was taken suddenly in December 2022. If you would like to find out more Owen's World please take a look at the website linked below:
<https://www.owensworldfoundation.co.uk/>

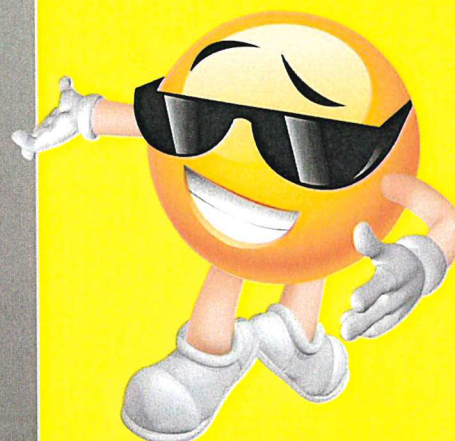

We held an attendance assembly today. The following categories were as follows:

96% and above
for term 5

98% and above for term 5

100% for term 5

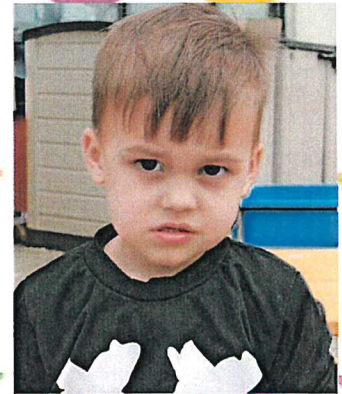

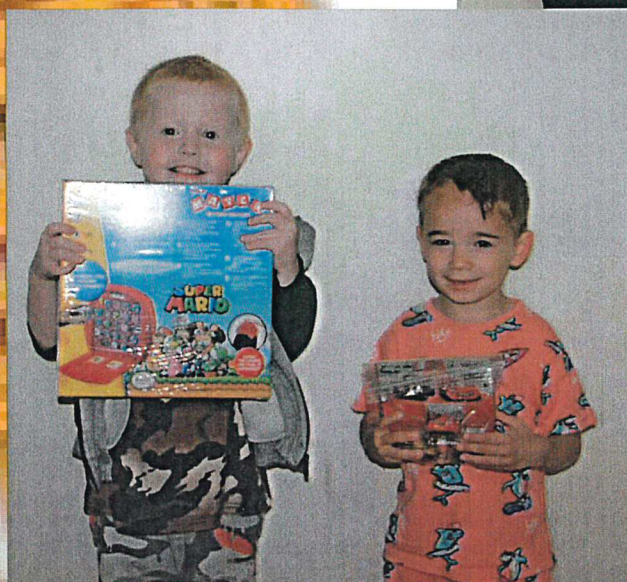

100% for term 5

100% for term 5

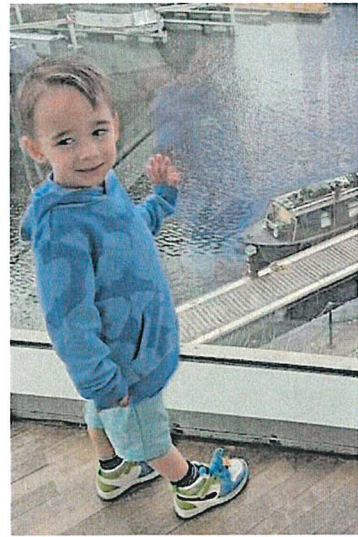

100% for term 5

For every week a child is present at school their name is entered into the raffle pot. The lucky winners this time around can be seen in the photos
