

Seven Fields Primary School-Newsletter

Dear Parents/Carers,

We have had an extremely busy few weeks with a number of visitors from the River Learning Trust. It has been pleasing to see the progress we are making in our journey of improvement.

River Learning Trust times tables competition

RLT held their first Multiplication competition and we are delighted to announce we came 3rd ! A huge well done to all the children in Year 3, 4 and 5 we are extremely proud of you all.

Year 4 and 5 author event at library

On Tuesday 30th April, Year 4 and 5 had a special trip to North Swindon Library! They had the fantastic experience of meeting an author and receiving a brand new book which was signed for them after they selected it. The children got to meet Annabelle Sami, who read from her books to them and showed them how they can make up funny stories using all their ideas. The children had a great time and enjoyed asking their questions and understanding the job of an author.

Following my DOJO message about behaviour at the school gates in the morning I wanted to say a big thank you as we are pleased how the children are now waiting for school to open in the morning.

Thank you

We have continued to receive deliveries from AMAZON and they support us in so many ways from our attendance assemblies, foodbank and keeping our stationery supply updated ! Lidl have started to supply us with food and hope you are managing to take advantage of the fruit and vegetable stall which Miss Iles and Mrs Cook have started for us. We are really grateful for all this support.

As we head towards the end of Term 5 and into the final term of this academic year please see the important dates attached to this newsletter.

We're wishing all the Year 6s out there the very best of luck with their SATs next week. We know that the children and teachers have been working really hard over the last few months to get ready for these assessments. While they are important, we thought it was also worth remembering that the results you may get from these tests do not define you. We wish them all the best and if you are a parent of our Year 6 pupils, please do encourage them to tackle the tests with positivity and self-belief.

Finally the sun has arrived and with the brighter weather we are able to benefit from all of our outdoor space!

Have a great weekend everyone.
Mrs Young

IMPORTANT

No ball games or riding devices are to be being used on the front plaza. This is becoming a safety issue and any balls being kicked around will be confiscated until the end of the day

Parents/carers be vigilant and keep an eye on your children please.

REMINDER: Everyone one should be using the main gate situated near the bungalow to enter and exit the school grounds. Lots of you are using the car park entrance which could potentially cause an accident.
