

Seven Fields Primary School-Newsletter

Dear Parents/Carers,

As I watched the chicks hatch in Early Years it was a reminder that Spring is coming. The lighter nights tend to lift everyone's spirits. It has been an extremely busy few weeks at Seven Fields.

Sport/Music events

I wanted to say well done to our netball team. The netball team despite not winning, everyone showed a positive, happy attitude and great sportsmanship. Well done !

Our tag rugby team did well in their tournament.

I had the pleasure of attending the Junior Music Festival and enjoyed watching some of our older children perform on stage.

I would like to thank school staff who organise, support and enable our children to participate in these events.

Parent Survey

Thank you to all the parents who have completed the River Learning Trust Annual Survey. The closing date is Monday 25th March. Please click on the link below and complete the short survey. We really appreciate your support and it is important we have your parent's voice as we continue on the journey of school improvement.

Punctuality

Please can I remind all parents of the importance of getting your child to school on time. Children have work set for them from 8.25am and lessons start at 8.45am.

A message from Miss Iles - The gates open at 8:25am and children need to be in class ready to start their morning tasks. 2 weeks ago we had a staggering number of lates, this is not acceptable as this causes disruption for those pupils who are here on time and in class working on their morning tasks. This also has an effect on the child who is late as they have to walk into class mid lesson or join assembly late.

Well done to our catering staff !

A huge well done to Mrs Simpkins, Mrs Baker and Mrs Leonard who achieved an amazing hygiene rating of 5 in their recent hygiene visit.

Thank you for your ongoing support.

Mrs Young
Head Teacher

World Book Day 2024

Falcons enjoyed their rugby workshop where they had to insulate a jar and see how long it stayed warm for

We welcomed 9 baby chicks last week in school. The children have been very lucky and have had the chance to hold the chicks once they were ready. If you would like to watch the video of them hatching please use this link:

Enjoy

A huge thank you to our volunteer litter pickers who have been looking after the school grounds at lunchtimes.

Bronze and Silver badges were issued for 30 and 60 house points. Well done to all who received their badges

Well done to the following children who have been magnificent and read regularly at home and were picked out of the raffle for a golden token:
Riley, Harry, Maxim, Brielle, Angel-Mai, Krystal-Rose, Twyla and Christopher

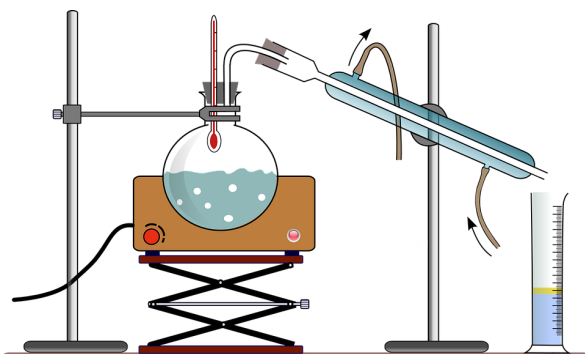

Marco has made a real effort to change his decision making in class and was awarded the behaviour cup on 08.03.2024

Daniel and Lucas have been great Seven Fields role models and were awarded the behaviour cup on 15.03.2024

We welcomed Nerys from the Royal Institute of Science who showed pupils different experiments and parents were invited to join our assembly
