

## Seven Fields Primary School-Newsletter

Dear Parents/Carers,

It's hard to believe that a year ago I wrote my first newsletter as the new permanent Head Teacher. I continue to be extremely honoured and privileged to lead this wonderful school. I want to thank the hugely committed team of staff who work tirelessly everyday! Your children are what make our school so special and this week during an external review I was reminded of how great they are. You should be proud of your children. They talked confidently to visitors and shared their learning and were great ambassadors for the school.

The Review is organised annually by the River Learning Trust and was carried out by an experienced OFSTED inspector, another Head Teacher in the Trust and the Trust Inclusion Lead. There is lots to celebrate about our journey of improvement and areas to further improve the work we are doing.

Year 5 had a super visit to the Earth summit and it was very informative. Year 4 are visiting the Roman villas at Chedworth today. <https://www.nationaltrust.org.uk/visit/gloucestershire-cotswolds/chedworth-roman-villa>

Year 2 have visited the Orchard close to school as part of learning this term.

It has been great to receive food boxes from Lidl this term and I know the fruit and vegetable donations have been well received. We are also very grateful for ongoing donations from AMAZON!

Please make sure everyone has a wonderful bank holiday weekend and a great week. School reopens on Tuesday 4th June and we look forward to seeing you all then.

Mrs Young  
Head Teacher

# CELEBRATE

8 year 5 and 6 children represented school at the Quadkids competition this week. They worked hard and did their best and Daisy came away with a bronze badge placing 3rd out of every girl who attended.

Jesse and Daisy have shared with us their out of school achievements with Jesse receiving a medal after playing in a football tournament at Stoke City and Daisy who plays for Blunston u12s who won their cup final where she also received player of the match and managers player of the season at her teams presentation

# IMPORTANT

No ball games or riding devices are to be being used on the front plaza. This is becoming a safety issue and any balls being kicked around will be confiscated until the end of the day

Parents/carers be vigilant and keep an eye on your children please.

**REMINDER:** Everyone one should be using the main gate situated near the bungalow to enter and exit the school grounds. Lots of you are using the car park entrance which could potentially cause an accident.
