# Seven Fields Primary School-Newsletter

Dear Parents/Carers

It has been wonderful that the sun has finally made an appearance this week. The children have been making the most of it with teachers taking the opportunity to complete some learning outdoors. Year 6 have begun their transition visits to secondary school and have come back with stories and confidence about the new adventures ahead. I am pleased to share below the structure for classes for next year 2024-25. It is important we begin to prepare children for the change and there will be an opportunity on 12th July to come in and meet your child's new teacher as well as this child will be visiting their new teachers in July. We are very excited to announce that we will be having new class names in September which are themed on 'Capital cities around the world.'
