

Maths

This term we will be looking at addition and subtraction, shape, and place value (to 20)

- Addition to 10
- Subtraction to 10
- Part-Whole Models
- 2D and 3D shapes
- Tens and Ones
- One more and one less
- Comparing numbers and objects

DT/Art

In art/DT we will be designing and making our own trains, making an igloo and making a polar bear puppet so we can take part in our very own shadow puppet play.

Music

Our music theme this term is In The Groove. We will be looking at Blues, Baroque, Latin, Bhangra, Folk and Funk. Each week we will listen and learn a different style of In The Groove.

English

Our text this term is The Polar Express. We will be practicing using capital letters and full stops in our writing, writing in full sentences, and using connectives such as 'and' in our writing.

Science

Our topic for science this term is Polar Places.

We will be looking at identifying and classifying everyday materials, animals and how we can identify them and making predictions and observations.

Geography

In geography this term we will be learning about the countries and capitals of the UK. We will learn facts about these and draw the flags of the different countries.

We will also be looking at maps and drawing our own based around The Polar Express.

R.E

In R.E we will be looking at the Christmas Story and looking at the meaning of gift giving.

ICT

In ICT we will be looking at staying safe online and how to use technology safely.

P.E

We will be practicing our balance and co-ordination skills in P.E as well as looking at encouraging others and being part of a team.

PSHE

For PSHE this term we will be setting goals and targets and looking at how we can achieve these and how that makes us feel.
