

Mathematics

This term we will be looking at place value to 10 and addition and subtraction.

- Sorting, counting and representing numbers and objects to 10.
- Counting forwards and backwards (to and from 10).
- Number bonds to 10.
- Addition and subtraction within 10.
- Part-whole models.
- Fact Families – Addition and subtraction facts.

D&T / Art

In Art and DT we will be designing and making our own Superhero capes. We will also be designing and building a den and looking at different colours and materials to create an outfit for Traction Man.

English

We will be looking at the text 'Traction Man.'

Science

In Science we will be learning about the five senses and doing experiments to find out about how our senses work. We will be making observations and answering questions such as how do we hear sounds? And what can our eyes do?

PSHE

Our theme for PSHE is feeling special and safe. We will be learning the rules and responsibilities in our classrooms and how our behaviour makes us and others feel.

P.E.

We will be practicing our balance and coordination skills in P.E as well as learning new footwork skills.

Religious Education

This term we will be answering the question 'How does it feel to create something?' and 'How do Christians think we should look after the world?'

Geography

We will be learning how to give and follow directions and looking at maps of our local area and finding the key landmarks. We will also be creating our own maps using geographical vocabulary and using atlases and globes to research other cities and countries.

I.C.T

This term we will be looking at internet safety and how to stay safe online. We will be looking at using technology safely, how to communicate safely, and how to keep our personal information safe.

Music

In Music we will be looking at rhythms and raps.

French

We will be learning all about France and how to greet someone and say the names of our families in French.
